Abbi Alligator

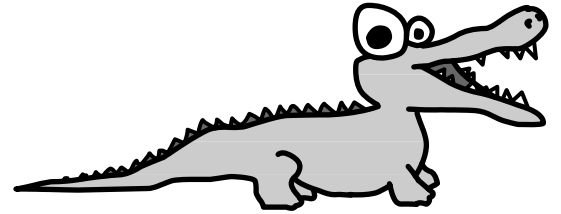

Abbi Alligator asked to be an astronaut
And go to Mars one day
Abbi Alligator asked to be an astronaut
All the alligators don't know what to say

Absolutely not!!
No alligator's ever asked to be an astronaut
After all the advantages we gave her

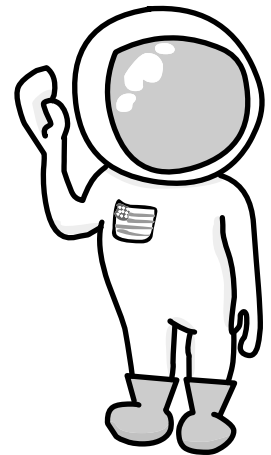

Abbi alligator aims to be an astronaut
Push ups every day
Abbi Alligator aims to be an astronaut
All the alligators don't know what to say

Actually Abbi's always been athletic
Abbi's apt to be a good astronaut if you asked me
Isn't the atmosphere funny on Mars Alas
