So many ways to move, So many ways to move

Basketball is my thing

When the ball when the ball
goes through the hoop

Music helps me find the groove
When I feel it in my soul
OOCHA OOCHA SWOOSH SWOOSH

dribbling down the field so free
When I'm right before the goal I
KICK KICK OOCHA OOCHA SWOOSH SWOOSH

A skateboard is beneath my feet,
gliding gliding oh so sweet
Take a ride I get some air
WOOSH WOOSH KICK KICK OOCHA OOCHA
SWOOSH SWOOSH

So many ways to move, So many ways to move

I'll tell you what I really like,
Peddling peddling on my bike
Got my helmet on my head
CHOOKA CHOO CHOOKA CHOO

Playing tennis is the best,
I like this sport above the rest
With my eye right on the ball
I SWING I SWING,
CHOOKA CHOO CHOOKA CHOO

Oh my my, hey hey hey,
Taking a walk on a sunny day
Right foot left foot here I go
STEP STEP, STEP STEP, I SWING, I SWING,
CHOOKA CHOO, CHOOKA CHOO

What I think is really cool, is when I'm in the
swimming pool
I feel the water under me

SPLISH SPLASH, SPLISH SPLASH, STEP STEP,
STEP STEP, I SWING, I SWING, CHOOKA CHOO,
CHOOKA CHOO

So many ways to move, So many ways to move
It doesn't matter what you do,

Just keep moving and you'll find,

7. The Sleep Song

Jacob and Jeremy are twins they're alike you see
In almost every way
They look alike, talk alike, and
sometimes they even might
Know what each other will say
Jacob and Jeremy are twins they're alike you see
In almost every way
Except for one very peculiar thing

When it's time to go to bed
Jeremy lays down his head
On his softest pillow that is fluffy and deep
Jeremy turns out the light
And gives his mom a kiss goodnight
And drifts into a peaceful sleep
But ... When it's time to go to bed Jacob starts
to jog instead
Hands in the air, juggling a chair
Jumping on the furniture, flying through the air
When it's time to go to bed
Jacob starts to lose his head
Dancing to the beat, chocolate to eat
Then he slides into bed
with his shoes on his feet
He slides into bed with his shoes on his feet?

Jacob and Jeremy woke up the next day you see
It was time to go to school
Jeremy was feeling great
Jacob got to school so late
He missed the trip to the swimming pool
Jacob and Jeremy are twins they're alike you see
In almost every way
Except for one very peculiar thing

When it's time to go to bed
Jeremy lays down his head
On his softest pillow that is fluffy and deep
Jeremy turns out the light
And gives his mom a kiss goodnight
And drifts into a peaceful sleep
But ... When it's time to go to bed Jacob starts
to jog instead
Hands in the air, juggling a chair
Jumping on the furniture, flying through the air
When it's time to go to bed
Jacob starts to lose his head
Candy to eat, dancing to the beat
Then he slides into bed with
his shoes on his feet
He slides into bed with his shoes on his feet?

Jacob and Jeremy woke up excitedly
on the day they both turned 6
A party at 3

With a juggler hee hee
A clown and friends and magic tricks
Jacob and Jeremy could hardly wait till 3
Time was not moving fast
But finally the clock struck 3 at last

When the party started and
the kids were all there
Jacob couldn't be found anywhere
They looked through the house
and this part makes me weep
They found him in his room asleep

But when it was party time
Jeremy was feeling fine
Juggling with the juggler, laughing at the clown
Playing with his friends, running all around
Yes when it was party time,
Jeremy was feeling fine
For his very special day

So the moral of this story as you can plainly see
If you want to have fun "We want to have fun!"
Get your sleep!

11. WHEN YOU SNEEZE

Sung by Ross Bollinger

I was sitting in the classroom
Listening to Ms. Hill
I was trying to sit still
When I noticed my best friend Phil
He was a'wiggling and a'jiggling
Like a sneeze was on its way
But before I got away
I was hit by the spray (eww!)

*Chorus:
So when you sneeze, if you please
Use a tissue or your sleeve
That's what we do
Ah ah ah choo!*

I woke up in the morning
I was feeling pretty bad
So I went and got my dad
"Looks like you can't go on the fieldtrip, Scout
Too bad!"
I climbed back into bed
With a fever and the chills
How did I ever get so ill
It must have been that big stinker Phil

Chorus

Don't let this be your fate
My friend it's not too late
When a sneeze is coming on
Don't forget this little song

Chorus (no sneeze at the end)

Chorus (double length)
