

I Can Help Somebody Out

There are lots of things

I do

most every day

I

eat my breakfast

I

go to school

I

do my homework

and follow rules

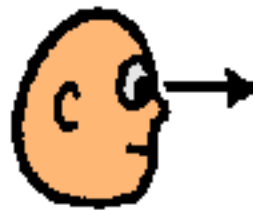

And lots of

people

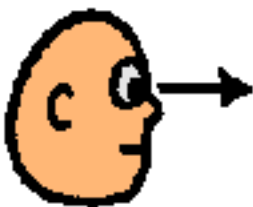

that I see

each day

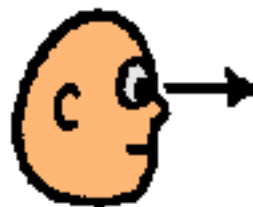

I see

my grandma

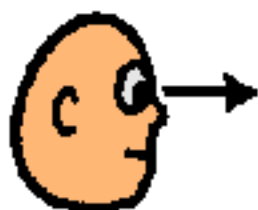

I see

my dad

I see

my teacher

and Kate

and Brad

Sometimes

I understand

it's nice to

lend a helping hand

and help somebody

out along their way

I can help

you

if you want me to

One thing nice

that I can do

is when I

hold the door

open for you

There's somethings

that I

can do

for you

If you

drop somthing

what can I

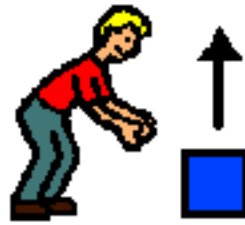

do?

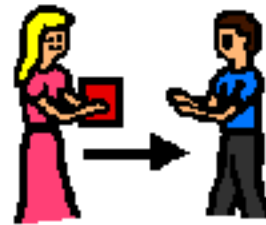

I

pick it up

and give it

back to you

Sometimes

I understand

it's nice to

lend a helping hand

and help somebody

out along their way

I can

do the dishes

to help

my family out

And when

I'm inside

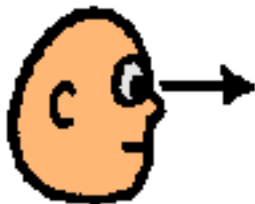

it helps not

to shout

If I see

a friend

who's fallen

off his bike

I can

help him out

by saying

"Are you

alright?"

One thing nice

that I can do

is when I

hold the door

open for you

If you

drop something

what can I

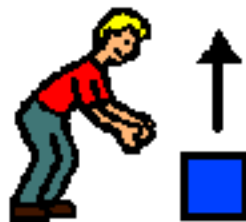

do?

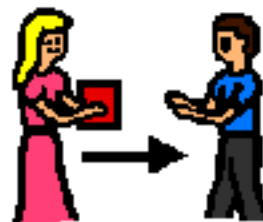

I

pick it up

and give it

back to you

Sometimes

I understand

it's nice to

lend a helping hand

and help somebody

out along their way

Helping

others

feels

so good to me

If Mom

has too much

to hold

I can help

her

without

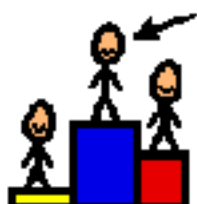

being told

Being helpful

is the best way to be

if someone's

standing in my way

"excuse me"

is a nice thing

to say

Sometimes

I understand

it's nice to

lend a helping hand

and help somebody

out along their way

I can

help

my family

I can

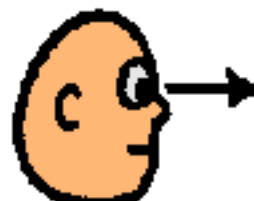

help

a friend

I see

I can

help somebody

out along their way
